(One third of the sales price is to be forfeited if the dog is returned for any other reason than failure to pass Veterinarian examination.)

Total \$ _____ Paid cash _____ or check _____ Sale is contingent on Full Veterinary Approval within 1 week.

If this pure bred dog does not have your veterinarian's approval, please return to breeder/seller's premises within the period of time designated above for a full refund. If this dog develops a serious hereditary disease specifically legg perthes or liver shunt, a full refund or another puppy shall be given as a replacement whichever is mutually agreeable.

Breeder/Seller and Buyer certify by signing this bill of sale that this dog is not sold for resale purposes and that the breeder will be notified if it is necessary for this dog to change hands and right of first refusal will be given to the breeder/seller.

Breeder/seller is transferring this dog as.. Show Potential _____ Breeding _____ Pet Quality only _____ (breeders initials will show intention)

To the best of my knowledge, this purebred Yorkshire Terrier is in good healthy condition, with the following exceptions..

Medical History DHP-CPV and Corona given _____ or due _____ Rabies _____

Have your veterinarian check the puppy teeth at 6-8 months to remove the retained puppy teeth. This breeder and her veterinarian prefers NOT TO USE LEPTO in puppy shots or ADULT BOOSTERS. This breeders VETERINARIAN prefers to use Isoflurane gas anesthesia if surgery is required. **Injectables must be used only with great care and breeder assumes no liabilities for consequences when injectable anesthesia is used.** Veterinarian is to use care in intubating this toy dog so as not to damage the trachea by using a tube that is too big.

THIS BREEDER WILL REPLACE THIS DOG IF IT DIES DUE TO ANY HEREDITARY PROBLEMS IF THE FOLLOWING CONDITIONS ARE MET:

Buyer must consult with Breeder within 24 hours of any illness and follow advice of Breeders Veterinarian. Under no circumstances is Seller to be held responsible for medical services not authorized by the Seller. Buyer must have any autopsy performed by the Breeder's Veterinarian or Breeder's Vet of choice within 24 hours of death. It is mutually understood and agreed that any litigation regarding this sale shall be brought about in the County and State where the sale originated.
